

# ALLIES DONATION FORM

## Suggested Dues Structure

Dues are *not required*, but a suggested annual donation is recommended to help ALLIES cover the organization's annual operating expenses. *Currently the ALLIES organization receives no direct state or student funds to support our efforts.*

The following is the *recommended* annual donation by membership type:

**Students:     \$10.00**  
**Staff:         \$15.00**  
**Faculty:       \$20.00**

However donations of ANY amount are welcome at any time of the year, be they smaller (\$1 or \$5) or larger than the recommendations listed above. Simply complete the form below and mail your donation. Members can also make donations in person to the Allies financial coordinator or all most Allies events. Checks should be made out to "Allies".

All donations will be processed through the *Texas A&M Foundation* and a receipt will be mailed to the donor for tax purposes if issued by check. *Please keep in mind that the Foundation takes 5% of all donations processed through their office to cover administrative costs.*

## Allies Buttons Available

Did you know that Allies has 1-inch buttons available for a recommended donation of at least \$1.00?

The Allies buttons are great way to show support when you don't have a visible office or residence hall door. Place them on backpacks, bulletin boards, or just keep one handy to wear during Coming Out Week and Gay Awareness Week.

## Replacement Placards

### *What if I need a new Allies placard?*

Should you misplace your placard or if it is taken down/defaced, simply e-mail the Allies committee (allies@tamu.edu) with your mailing address and we'll replace it for free.
